

INSTALLATION INSTRUCTIONS: STEERING STABILIZER BRACKETS

PART # 5475

CONTENTS:

- 2- Brackets
- 2- U-bolts
- 4- 5/16 NF Nuts
- 4- 5/16 Lock Washers
- 2- Hex Washer Head Thread Cutting Screws

Please read all instructions completely before beginning.

1. Mount the steering stabilizer brackets to your steering stabilizer. (See Diagram) The U-bolt bracket should go at the rod end of the stabilizer.

2. Turn your steering wheel all the way to the left, then pull your steering stabilizer out to it's full length.

3. Mount the U-bolt bracket and stabilizer to your drag link with the u-bolts on either side of the metal tabs welded to your drag link. Hold the bracket at the can end of the stabilizer up to the frame crossmember and mark through the holes in the top of the bracket onto the crossmember with chalk or marker.

4. Compress the stabilizer all the way, then turn your steering wheel all the way to the right. If you must extend the stabilizer to match up with your previous location, then your stabilizer is long enough. If not you will need our stabilizer, Part # 8101 to retain your tight turning radius.

5. Drill 2 5/16" holes in the crossmember, using the marked locations as guides.

6. Remove the bracket from the stabilizer and bolt it into place using the Thread Cutting Screws.

7. Reinstall the stabilizer to the upper bracket and tighten it in place.

LIMITED WARRANTY

James Duff Inc. warrants our products to the original purchaser to be free from defects in materials and workmanship. Warranty periods begin at the date of purchase and varies by product. Shocks have a limited lifetime warranty. Headers, Radiators and Suspension Products have a one year warranty. Power Brake Boosters and Master Cylinders have a three year warranty. Adapters and soft goods such as Canvas tops, upholstery, vinyl and rubber products have a 90 day warranty. All warranties are to the original purchaser with proof of purchase only. Such obligations under this warranty shall be limited to the repair or replacement, at JDI's discretion, of any assembly or part which upon examination by JDI proves to be defective. Any costs of removal, installation, reinstallation or freight charges are expressly excluded from this warranty. This warranty covers only manufacturers defects, and does not cover product finish or damage resulting from abuse, misuse, negligence, racing, alteration, accident or damage in transit.

All returns must be pre-authorized by JDEI and accompanied with a Return Goods Authorization Number (RGA) and a dated proof of purchase. Returns must be made within 90 days of purchase, shipped prepaid, packaged in original cartons to prevent damage in shipment and sent to JDI, 6609 Bronco Ln., Knoxville, TN 37921 Returns without an RGA# will be refused.

This warranty is expressly in lieu of all other warranties, expressed or implied, including the implied warranties of merchantability and fitness for use. This warranty gives you specific legal rights including other rights that vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, or do not allow the exclusion of limitation of incidental or consequential damages, so the above limitations and/or exclusions may not apply to you.
